WHO WE ARE

We are a pharmaceutical OTC (Over the counter) and Allopathic products manufacturer & exporter serving various segments like baby care, health care, pain care, health supplement & skin care. We are a registered company since 1993 and our products are manufactured under Food, Herbal, Cosmetic and Allopathic license.

OUR HISTORY

Our marketing network started with local markets and has now reached national level & has even crossed boundaries. The credit of our unprecedented success goes to the quality of products, innovative packaging, systemized marketing network, best-in-class customer services & a high regard for consumer values.

VISION

Manufacturing human healthcare products with a special focus on quality, packaging and cost; making them available to the public.

MISSION

We dedicated ourselves in catering human healthcare needs by using innovative technologies and organized teamwork for the betterment of the society as a whole.

SERVICES

Manufacturing, Exports, Private Label, Contract Manufacturing, Product Development, Sourcing, Loan Licensing.
